Sir

Proposed township development on Portion 6 of the farm Boschbank 12

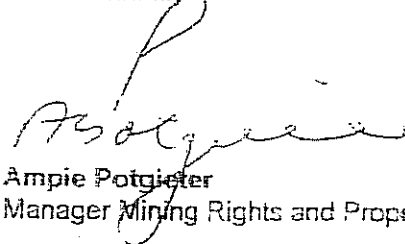

Your application for the establishment of a township on Portion 6 of the farm Boschbank 12 has reference.

Sasol Mining (Pty) Ltd, as the holder of the rights to coal and old order mining right in terms of the provisions of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002), has no objection to the establishment of the proposed township on Portion 6 of the farm Boschbank 12.

Your attention is invited to the fact that a portion of the relevant property has been undermined. Approval must be obtained from the Principal Inspector of Mines, Free State Region, in terms of Regulation 17, promulgated under the Mine Health and Safety Act, 1996, before any structures may be erected within a horizontal distance of 100 metres from the undermined area. In addition, Sasol Mining can not accept any responsibility or liability for damage that may be caused to the surface of the land or structures, as a result of subsidence, settlement, shock or cracking as a result of the undermining of the land.

It has to be noted that this consent does not exempt the developer from any obligations as determined by any controlling authority, any other legislation or any obligation to obtain any other approvals required by law or otherwise, to enable the township development and Sasol Mining cannot be held liable should any other institution or organization not grant consent or approval for the proposed township development.

Yours faithfully
